

AccessNOW™ Chem

Inventory Control Solutions – Chemical Storage

DISTRIBUTION
NOW

AccessNOW Chem is a non-flammable, corrosion-proof vending cabinet designed to house chemicals and solvents. The machine tracks who has removed each item and reports on usage to the designated administrator, helping you avoid accumulating chemicals at workstations and ensuring flammable products are stored and returned safely and securely when not in use.

Features:

- **Secure** – motion-sensing technology monitors and records all user/product activity
- **Reliable** – 3-year warranty on all parts
- Easy to refill and reconfigure
- Dispenses products in singles or in bulk
- Accommodates most chemicals and solvents
- Doesn't lose power, even if your building does
- Automatically notifies you of electronic transactions
- Tracks asset check-in/check-out and expiry dates
- Reports tracking to job, equipment or cost center
- Transactions can be monitored from anywhere in the world
- Special self-attaching shelf dividers to keep product organized
- Special magnetized, corrosion-proof bins for smaller products
- Spill containment shelves
- Self-closing doors
- SDS/MSDS online
